Please help your child be ready on the first day of school by placing the **labeled** supplies in school box. All labeled items will be used by your child and be the responsibility of your child. Each individual marker, crayon, and color pencil needs your child's name on it in permanent marker.

They also need their name on the original packaging for storage in their school box.

If an item is not specifically requested to be labeled, it will be community access and the children will share use of the items. Please be sure to label items correctly. It makes dropped/lost/found items easy to give back to proper owners.
