Please help your child be ready on the first day of school by placing the **labeled** supplies in correct school boxes. All labeled items will be used by your child and be the responsibility of your child. Each individual marker, crayon, and color pencil needs your child's name on it in permanent marker. Labeling correctly makes dropped/lost/found items easy to give back to proper owners. They also need their name on the original packaging for storage in their school box. Supplies will need to be replenished as needed.

Shalom New EKHLA Students!!!

Welcome to our EKHLA family and into a new, exciting school year!

As part of our Hebrew language and Israeli culture program, all of our students have a Hebrew name. This is how they are addressed in their Hebrew classes. We love for parents to participate in this process so students can have ownership of this lovely new name.

At home, please check online to find a Hebrew name that directly translates to the meaning of your child's name or one that starts with the same letter sound. Once you have found a name, please write it below and send in to your child's Hebrew teacher the first day of school.

My child's grade level: _____

My child's first name: _____

My child's Hebrew name will be: _____

(this may be written in "transliteration"-English letters)

Don't worry...

if you need a suggestion regarding a name, please contact your child's Hebrew teacher once school begins.

See you in August on Dreamland!!
